<b>Recommendation 2.7</b>			
1. Board has overall responsibility in ensuring that there is a group-wide policy and system governing related party transactions (RPTs) and other unusual or infrequently occurring transactions.	Compliant	On April 26, 2017, the Board approved the spin-off of the Related Party Transaction (RPT) Committee from the CG Committee and the establishment of its own Charter. Under the RPT Charter, material RPTs need the approval of all the Company's Independent Directors. The Board likewise approved the amendment of the RPT policy, which requires the RPT Committee to review RPT transactions instead of the CG Committee and the revision of the RPT Definition.	
2. RPT policy includes appropriate review and approval of material RPTs, which guarantee fairness and transparency of the transactions.	Compliant	All material and/or significant (RPT) are subject to the review and endorsement of the RPT Committee with the concurrence of all Independent Directors prior to the approval of the Board to ensure that they are in the best interests of the Company and its shareholders in accordance with the Company's RPT policy.	
3. RPT policy encompasses all entities within the group, taking into account their size, structure, risk profile and complexity of operations.	Compliant	<p>RPT Committee Charter  <a href="http://www.philexmining.com.ph/wp-content/uploads/2017/01/K-PX_RPT-Committee-Charter_Final.pdf">http://www.philexmining.com.ph/wp-content/uploads/2017/01/K-PX_RPT-Committee-Charter_Final.pdf</a></p> <p>Related Party Transaction Policy  <a href="http://www.philexmining.com.ph/wp-content/uploads/2019/10/PX_RPT-Policy_rev.pdf">http://www.philexmining.com.ph/wp-content/uploads/2019/10/PX_RPT-Policy_rev.pdf</a></p>	
<b>Supplement to Recommendations 2.7</b>			

<p>1. Board clearly defines the threshold for disclosure and approval of RPTs and categorizes such transactions according to those that are considered <i>de minimis</i> or transactions that need not be reported or announced, those that need to be disclosed, and those that need prior shareholder approval. The aggregate amount of RPTs within any twelve (12) month period should be considered for purposes of applying the thresholds for disclosure and approval.</p>	<p>Compliant</p>	<p>For purposes of this Policy, a Material and/or Significant RPT shall cover all transactions meeting the materiality threshold. Transactions amounting to ten percent (10%) or more of the total assets that were entered into with an unrelated party that subsequently becomes a related party may be excluded from the limits and approval process required in the policy. However, any alteration to the terms and conditions, or increase in exposure level, related to these transactions after the non-related party becomes a related party shall subject the material RPT to the requirements of this Material RPT Rules. The prospective treatment should, however, be without prejudice to regulatory actions that may be enforced for transactions noted to have not been conducted on an arm's length basis.</p> <p>RPT Policy <a href="http://www.philexmining.com.ph/wp-content/uploads/2019/10/PX_RPT-Policy_rev.pdf">http://www.philexmining.com.ph/wp-content/uploads/2019/10/PX_RPT-Policy_rev.pdf</a></p> <p>RPT Committee Charter <a href="http://www.philexmining.com.ph/wp-content/uploads/2017/01/K-PX_RPT-Committee-Charter_Final.pdf">http://www.philexmining.com.ph/wp-content/uploads/2017/01/K-PX_RPT-Committee-Charter_Final.pdf</a></p>

<p>2. Board establishes a voting system whereby a majority of non-related party shareholders approve specific types of related party transactions during shareholders' meetings.</p>	<p>Non-Compliant</p>	<p>Provide information on voting system, if any.</p>	<p>In view of a number of factors, a voting system as called for in this item has not been established. However, the objective of ensuring that related party transactions are fair and at arm's length is achieved because shareholders elect independent directors who are expected to represent the interest of non-related party shareholders in the review of significant or material related party transactions.</p> <p>The Company's independent directors are members of the Related Party Transactions Committee. The Chairman is Mr. Wilfredo A. Paras, an Independent Director. All significant or material related party transactions are subject to the review and endorsement of the said Committee, which endorsement must be concurred in by all Independent Directors. Endorsement of the Committee is required prior to Board approval of the related party transaction.</p> <p>RPT Policy  <a href="http://www.philexmining.com.ph/wp-content/uploads/2019/10/PX_RPT-Policy_rev.pdf">http://www.philexmining.com.ph/wp-content/uploads/2019/10/PX_RPT-Policy_rev.pdf</a> </p>
